

Skyward Specialty Expands Renewable Energy Coverage Solutions

October 2, 2024

HOUSTON, Oct. 02, 2024 (GLOBE NEWSWIRE) -- Skyward Specialty Insurance Group, Inc.TM (Nasdaq: SKWD) ("Skyward Specialty" or "the Company"), a leader in the specialty property and casualty (P&C) market, announced the expansion of its renewable energy solutions.

As the renewable energy market continues to experience unprecedented growth, the need for specialized risk management solutions becomes increasingly important. However, many of these risks remain underserved by conventional coverage options.

"The rising demand for renewable energy creates new opportunities for the specialty market to respond," said Rob Roberts, president of Energy at Skyward Specialty. "Our team of industry experts bring deep industry knowledge and are well-equipped to develop strategies and apply best-in-class underwriting to tackle the needs of this dynamic market opportunity."

Skyward Specialty's expanded renewable energy offering now includes casualty coverage options targeting various renewable energy classes, including solar, wind, hydroelectric, biomass, and geothermal, providing tailored solutions for businesses in these sectors.

Roberts continued, "Today, we serve this market in different capacities across several of our underwriting units, so we are excited to expand the Company's renewable energy offering, further diversifying our energy portfolio and aligning with our strategy to deliver innovative, customized solutions to the most specialized markets."
